Stamp Duty Stamp duty is charged at different rates depending on the price of the property, the nature of the purchaser and their individual circumstances. For general guidance see <https://www.gov.uk/stamp-duty-land-tax/overview>

A stamp duty calculator for most situations (not full market election) can be found at <https://www.tax.service.gov.uk>

By instructing us you are confirming you are aware of the stamp duty payable. We are able to provide a full quote with stamp duty calculated if you call us to discuss. Stamp duty can change during a transaction even after exchange of contracts. In this regard note that stamp duty is paid at the date of completion and the estimate provided is for the applicable rules today. No liability is accepted should the stamp duty increase later.

Further stamp duty is now a very complicated tax to calculate and since we do not give any tax advice we cannot assist with any reliefs or concessions that may apply to your individual circumstances. We can however recommend a stamp duty tax advisor should you need this assistance who would be happy to assist for any additional fee.

Land Registration Fee

This is the charge to register the property in your name on completion. The fee is based on your purchase price as follows –

£80,001 - £100,000	=	<b>£95</b>
£100,001 - £200,000	=	<b>£230</b>
£200,001 - £500,000	=	<b>£330</b>
£500,001 - £1m	=	<b>£655</b>
Over £1m	=	<b>£1105</b>

Bankruptcy Search

The search is charged at **£2** per name and is our standard practice to undertake.

ID Checks

These are professional fees for the time involved and charged at **£30** plus vat per ID check.

### **Miscellaneous Costs applicable in some cases**

Stamp Duty Return	If you wish us to complete your tax return for stamp duty there is an additional legal fee of £150 plus vat.
Help to Buy/Lifetime ISA	If you wish us to draw down either a help to buy ISA or Lifetime ISA there is a fee of £60 plus vat per account.
Unregistered Land	If it transpires that the property is not registered at the Land Registry and is unregistered (which would be very unusual) there will be a charge for dealing with the same of £750 + VAT.
Additional Searches	Searches required may vary from region to region. Search packs do not include certain regional searches, for example some areas require a 'Coal Mining' Search and this will attract an additional fee. We will confirm if the property you are buying is in an area where additional searches are recommended.
Management Company Managing Agents Freeholds with Service Charges	If the Property is Freehold but there is a management company, managing agent or service charge obligation on the same we will make an additional Legal Fee of £399 plus vat for the work required in relation to dealing with the same. There are also likely to be further charges from the Management Company / Managing Agent due from you on completion of the purchase (to be confirmed during the process).
Deed of Variations	Should in the unlikely event that the transaction involves the need for a deed of variation we will make an additional charge of £750 plus vat for our time in dealing with the same.
Legal Indemnity Insurance	Should it be necessary for us to arrange any form of Legal Indemnity Insurance during the transaction we will make an additional charge of £250 plus vat for our time in dealing with the same.
New Build Properties	Where you are purchasing a new build property the developer's Solicitors may make a charge for preparing the paperwork and this is known as an Engrossment Fee. We will not know the amount of this until we receive the contract but will explain the same in our report to you. Often these charges range from £50 - £250 plus vat. This is not a professional fee from us but instead a separate fee from the developers Solicitors and should also be explained to you by the developer on reservation. Furthermore on some occasions (but rarely) you may be purchasing a property with a separate garage or carport which is on a lease distinct to the property transfer or lease itself. In this scenario there will be two Land Registration Fees (the second normally circa £45) since there will be two different applications for us to make. To cover our additional time for this work we also make a charge of £299 plus vat for the same.
Leasehold Properties	On completion you may be required to pay to the Landlord or Management Company a fee to register you as the owner of the property (and possibly other fees). These are not known but commonly are between £10 - £250 plus vat. These are not professional fees from us but instead separate fees due to the Landlord or Management Company.

During the course of the transaction, unavoidable, additional disbursements may be incurred. We will advise you of any such costs and they will be payable by you. The quote is valid until 31<sup>st</sup> December 2023. Within this period our fees will not increase.

Please note that fees applicable to the Land Registry will adjust according to the most recent scale at the time your case completes should changes have been made from the date of your instruction. Our fee is based upon the information provided. If this is incorrect or changes, you should let us know immediately.

### **Provisos**

Note that a Bank Transfer Fee is not a disbursement but a professional fee by us for the time involved in arranging the electronic transfer of funds. Further, the Stamp Duty Land Tax fee is a professional fee by us for the time involved in completing a return to the Inland Revenue - this is required whether or not stamp duty is payable. The Due Diligence fee is also a professional fee by us for the time involved in undertaking the required money laundering and associated procedures.

## E J WINTER & SON LLP CYBER CRIME POLICY

**WARNING: Cyber crime is becoming more prevalent. In an attempt to counter this we will never provide our bank account details in the body of an email, nor will our bank account details change in the course of a transaction. Before transferring money to us please call to confirm you are using the correct bank details since no liability is accepted if you send funds to an incorrect account.**

In order to ensure your money is safely looked after we ask that you provide us with one bank account that will be used throughout your transaction. Any funds that need to be returned to you will only be returned to this account or via a cheque to you. We also require that you send to us a copy of a recent bank statement for this account (within the last 3 months) showing the same detail.

Account Name (including all account holders)	
Sort Code	
Account Number	
Bank Name	
Bank Address	

**NB:- Please remember to send this back with a bank statement issued within the last 3 months for this account.**

We ask that you note the following –

- We will not change our bank details during the course of your matter. Any calls or emails to say we have will be fraudulent and must be reported to us immediately (via the telephone or in person).
- Before sending any funds to us please call our offices on a number you are sure is us and confirm with a member of staff our bank details. These should be the same as previously provided but if not please do not send any funds and attend our offices in Reading to meet with a Partner of this firm as a matter of urgency.
- Funds will only be returned to the details you provide above. If you send us funds from another account and require these to be returned you will need to attend our offices with your ID as we cannot return the funds to you without following enhanced procedures.
- We recommend that you make a trial first payment to us of £1 and then call us to ensure this has been received before sending any further funds. It is important to call us on a number you are sure is us and not simply email in since your email could be compromised.
- Banks only check that a sort code and account number is correct – they do not cross check the payee (account holders name) and you cannot rely upon the account name being correct as being evidence that the sort code/account number is correct.
- Fraudsters are impersonating everyone including solicitors, clients, estate agents, mortgage brokers, mortgage lenders and banks. Email accounts can be compromised (including your own without your knowledge) and it is fundamental that your cross check everything with us. No liability is accepted should you send money to the wrong account.
